  12. Visitors are obliged to observe the instructions of the site manager or other authorized person of the organizer's organization.
  13. In case of an accident contact the rescue teams or the organizer.

## **OTHER**

14. The organizer reserves the right to change the program, especially due to poor climate conditions.
15. It is very important for the future of mountain biking that the visitor carries any litter or rubbish to the bottom of the course and dispose of it responsibly in the bins provided.
16. Buses and parking  
The shuttle bus system works well to move people from the event area – but at the end of the day there will be some queuing, due to the volume of people leaving at the same time. Please be tolerant, patient and always check you are in the right queue. There are signs for the different bus routes.  
Parking is possible only on marked spaces. We suggest You leave Your car at Dvorana Tabor and take the bus number 6 that will bring you directly to the event.

## **GONDOLA ACCESS**

17. Please be aware that because of the large number of riders using the Gondola, the seats may be muddy at times.

18. Visitors will not be able to take bikes up the gondola. Bikes can be left at the bike park outside the event entrance. Remember to bring your own lock.
